WINNING HAIRDOS . . . Left to right are Judith Witte, first prize Torrance, second prize, and Millie Williamson, third prize, modeling t these awards at the 10th annual beauty and trade show competition M

No. 13 Lucky For Harry Thompson, And He Has His Reasons, Good Ones

And he has his he hearing No. 13, which is the most popular car of the department's fleet, according to Chief John Stroh. Despite the legend of ill luck associated with No. 18, it hasn't-proved out here.

No one on the department has quite the same reason for preferring No. 13 as does Patrolman Harry W. Thompson, swing shift officer. Thompson has found the number 13, to be one of a good omen since he encountered a sequence of 13's during a surgery experience several years ago.

Thompson says he was admitted to the hospital on the 13th of the month, assigned

to bed 13, was operated on the 13th of the following month and returned to bed 13 from which he was released on the 13th of the following month. He was the 13th surgery patient on the day of his operation and the surgeon used 13 stitches to close the incision. On another occasion, Thompson's preference for 13 paid off. Knowing nothing of horse racing, but being with a group attending a racing program, he wagered \$10 on No. 13 and came away with \$639. For three years of his service on the local police force, Thompson has been partial to patrol car No. 13. He wears budge No. 3.

Shoe Rationing Ends: Stocks

Reported Low

Reported Low
File that last shee rationing coupon among your World War II souvenirs,
Shoe rationing has ended as of 12.01 a, m, yesterday,
Don't count too much on being able to buy a pair of shoes, however, dealers warn, as stocks are low and the industry has not been able to get into the swing of things. The outlook is good, however, for the future, after the next 30 to 45 days.

Assemblyman Addresses Kiwanis Club

Glenn Andersøn, member of the California state assembly, and a visiting Kiwaniah from Hawthorne, was the featured speaker at the Kiwanis Club meeting Monday night, Oct. 29. Andersøn gave a brief talk describing the, problems which are facing the state legislature and what-is-being done about them. He discussed the problems of the regimentation and regulation of business in California, telling about the various bills which are being introduced to take care of the situation. Other problems which Mr. Andersøn spoke about were the problems of California's 21,000 children in the child care centers, the existing conditions on our beaches, and the problems of crime and prevention.

Carmite Ore Displayed In **Torrance High**

e energy, everyone seems to be
e experts on that infinitesimal lite tile thing called the atom—to
be more precise, a split atom.
Well; with all of this, Mrs. Alwilda Dartt, science teacher at
Torrance high school announced
that she was going to display
a piece of carmite ore.

The ore, when refined, produces the much talked about
uranium 233 atoms, the atom
used in the atomic bomb. This
display case in the science building on the second floor.

Maybe when all the hush-hush
is over, Mrs. Dartt may be able
to procure an atomic bomb.
Well, that's in the future.

concern of the returning vetrans are insurance and educational problems.

The mightiest powers by deepst calms are fed.

Torrance 'Y' **Board Holds** Conference

The regular meeting of the YMCA board of directors was held Oct, 26 at the Guild Hall of St. Andrews Church.
Short review of the activities of the organization in the local area was given by the Secretary Ted Meier.
Plans were laid for the conduct-of a Membership campaign in the Torrance Area some time in February. It was the opinion of the board that a great many people—in this—locality are interested in the work of this organization and should be given definite opportunity to identify themselves with the membership benefits offered by the association.

Audiforium Free

Torrance High School Scholarship Society will have the use of the Torrance Civic Auditorium free of charge, Nov. 16, according to action of the City Council Tuesday night.

The society had been granted the use at the minimum rate, but the council was told Tuesday night that student group had no funds with which to pay. The usual minimum fee runs from \$7\$ to \$15\$, Courfellman N. H. Cucci said.
